

# LEARNING COMMUNITY

HOSTED BY **DELAWARE HANDS & VOICES**

**SEPTEMBER 29, 6-8PM VIA ZOOM**

— with ASL and Closed Captioning —

Login details and instructions will be sent by email once registered.

**The online Learning Community event will be presented in the following format:**

- 5 min pretest
- 15-30 min presentation
- 15 min questions and discussion
- 5 min evaluation/post-test

**The Learning Community is designed to:**

- Develop collaborative leadership skills for members of family organizations that support infants and children who are deaf or hard of hearing;
- Engage and include family partners and pediatric clinicians to ensure that the family and health professional perspective and experiences are integrated.

**About this online Learning Community event:**

A panel discussion will be held with Itinerant Teachers on the successes and failures working through the new normal at school with deaf and hard of hearing children. There will be Q&A time for families and dialogue about issues parents are finding with new learning models.
